

How do technologies affect how we read, write, and make sense of the world?

How do ideas travel across borders?

Why have irony and satire become so significant?

English 264

Reading Popular Culture

Fall 2009

Tu, Thur: 3-5

Dr. Dan Keller

keller.507@osu.edu

In this course, we will discuss several significant issues surrounding modern popular culture: technology (multitasking, speed); globalization; irony and satire; and our increasing participation in creating pop culture (YouTube, sampling, remixes).
